

Candidate Relationship Specialist

Location: Priory Business Park, Bedford

Salary: £17,500 - £18,500

Hours: Full Time and Part Time Available

The Company:

Verifile, is a leading provider of global CV certification and background screening services. At the heart of Verifile's success is our multi-national, multi-cultural, multi-lingual team, who carry out accurate background checks on candidates to enable our clients to make informed and rewarding long-term recruitment decisions.

Job Responsibilities:

The Candidate Relationship Specialist provides guidance and support to candidates completing their Verifile background screening forms; therefore, a confident and articulate person who enjoys providing excellent customer service to a diverse range of individuals would fit well in the role.

Day to day activities:

- Conduct "courtesy" phone-calls to candidates commencing their online screening process and introduce and explain what they can expect
- Receive and respond to incoming enquiries from candidates
- Provide basic level IT support to candidates around completing the online screening form and troubleshoot any difficulties experienced with the Verifile system
- Carefully analyse completed screening forms in order to identify further information that may be required of the candidate
- Check information provided by candidates is in accordance with client policy
- Identify the need for and order new background checks for candidates when appropriate
- Record all correspondence with candidates to ensure that accurate and comprehensive information sharing is facilitated across the Verifile teams

Essential Skills and Experience

- Minimum 3 GCSEs (including Maths and English) and or the equivalent at C Level
- Must be proficient around using email, the internet and Microsoft Office
- Experience with handling high volume inbound and outbound calls
- Highly proficient in the following areas: analytical, organisational and interpersonal skills
- Excellent attention to detail
- Can record information quickly and accurately
- Able to trouble shoot and think outside the box
- Team player
- Decent typing speed and data entry skills
